S. CON. RES. _____

IN THE SENATE OF THE UNITED STATES

Mr. _____
submitted the following concurrent resolution; which was _____

CONCURRENT RESOLUTION

To support the establishment of a National Historical
Intelligence Museum.

Whereas intelligence has played a crucial role in the history of
the United States;

Whereas intelligence activities were employed by George
Washington at the outset of the American Revolution;

Whereas it is important that the citizens of the United States
understand the role of intelligence in not only military
achievement in wartime, but in maintaining stability in
peacetime;

Whereas the sacrifices and contributions to intelligence by
thousands of men and women should be commemorated; and

Whereas the understanding of the importance that intelligence
activities have played in the history of the United States
and the acknowledgement of the people who have contributed to
such activities can best be achieved by the collection,
preservation, and exhibition of intelligence objects of
historical significance: Now, therefore, be it

- 1 Resolved by the Senate (the House of Representatives
- 2 concurring), That the Congress supports the establishment of
- 3 a National Historical Intelligence Museum.
